**Narrative**

Unit 1 was North bound in the center lane of the Ridgeview high school parking lot. Unit 2 was parked in parking space and backed up to adjust it's alignment. The two units came into contact with each other and caused damage to each one. Neither driver was injured and both vehicles were driven from the scene. The drivers exchanged information and the Ida County Sheriff's Office was contacted later. With Principal Warnke's assistance I reviewed the camera of the school parking lot and did not see any negligent behavior by either driver. Statements were taken from each driver blaming the other but the video did not indicate blame one way or the other.
